

**EDIMS 2.6 Earns
ONC Health IT Certification from Drummond Group LLC**

Parsippany, N.J.- February 27, 2018 –Envision Physician Services’ EDIMS 2.6 has achieved Office of the National Coordinator for Health Information Technology (ONC-Health IT) 2014 Edition Health IT Module Certification via Drummond Group LLC, an Authorized Certification Body (ACB) that has been empowered to test software for compliance with the requirements of the federal government’s program. The stamp of approval designates that the software offers the functionality that enables eligible providers and hospitals to meet Meaningful Use requirements, qualifying these organizations to receive payments under the ongoing EHR adoption program.

“This certification is another milestone in our storied, 30-year history of developing electronic health record systems for and by practicing emergency physicians” said Bernard P. Lang, Vice President, IT, Envision Physician Services. To earn the certification, EDIMS 2.6 was tested to be in accordance with applicable standards and certification criteria put forth by the Department of Health and Human Services (HHS).

With more than 15 years of testing experience across various industries, Drummond Group LLC (DG) brings a high level of technical expertise to this process. Its healthcare experience also runs deep, having certified hundreds of EHRs since becoming an ACB in 2010.

EDIMS 2.6, which meets the requirements for 2014 Edition Health IT Module Certification, is a product of Envision Physician Services, and was certified on 2/16/2018 for the 2014 Edition with certification number **140237R00**. It is an Emergency Department Information Management solution containing the following components: Physician Notes, Tracking Board with alerts and timestamps, Nursing Documentation, including triage, assessments and progress notes, CPOE, Discharge Instructions, Prescription Writer (including ePrescribing), Facility Charge Capture, and Reporting.

““This **Health IT Module** is 2014 Edition compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services.”

EDIMS Version 2.6 meets the following certification criteria:
